 ... is the **Amenti** Charts that show where Seeding- 1 was and where that

 put in the **Amenti** Rescue Mission, and literally their shields were put back together

 set when the **Amenti** Rescue Mission took place, and it was through, I think,

 structure of the **Amenti** Rescue Mission we ended up with Earth being- it is

 creation of the **Amenti** Rescue Mission 550 million years ago. So those things were

 Tara and the **Amenti** Rescue Mission which is 550 million years. So these guys

 you know the **Amenti** Angelic Human Races. And the First Stand of Aurora was

 Earth in the **Amenti** System that was in jeopardy, this was a Tri-Matrix

 know from the **Amenti** history and in the Voyagers books, there has been wars

 part of the **Amenti** Rescue Mission plan when the Fall of Tara happened, when  
 when the whole **Amenti** Rescue Mission was set So, this group that came to

---

Page: 72

---

 first the first **Amenti** Imprint of Earth, as far as it's original in a I  
 because of the **Amenti** host mission the Earth and Sol, but it's too late  
 ago when the **Amenti** mission started, the Gyrodome field literally will generate an imprint

---

Page: 73

---

 That's when the **Amenti** Rescue mission started when Tara fell because of the use  
 is when the **Amenti** mission was started. 250 million years ago we had the

---

Page: 92

---

 originally was in **Amenti** when it came through as a host, but it also

---

Page: 96

---

 in when the **Amenti** rescue mission was set. It was to allow for those

---

Page: 97

---

 part of the **Amenti** host all along and now is the time that it's

---

Page: 116

---

 they Set the **Amenti** Host in the first place from Tara. So that's pretty  
 even though the **Amenti** Host wasn't successful, this one has a lot more going  
 reason why the **Amenti** Rescue Mission didn't have as much potential for success as  
 force of the **Amenti** Rescue Mission, they were going into a StarFire Period. They  
 made in the **Amenti** Host and believe me, they were almost from the get  
 failure of the **Amenti** Host. They got a lot out in Seeding 2. They

 Solar System, the **Amenti** Consciousness Field that can't make it in ascension back through

 beginning of the **Amenti** Mission, 550 million years ago when Tara exploded. The Amenti  
 Tara exploded. The **Amenti** Mission was set in our shield, the Earth's Shield, that

---

Page: 183

 set with the **Amenti** Host Mission that allows part of the frequencies from Urtha

---

Page: 188

 talking about the **Amenti** Host Mission. We talked about how this solar system, called

 something called the **Amenti** Host that was set The Amenti Host was part of

 was set The **Amenti** Host was part of the Krystal River Host Just as

 Bourgha matrix. The **Amenti** Host was always a part of the Krystal River Host

 here. In the **Amenti** Host, this solar system was seeded from the pieces of

---

Page: 442

---

 the Host of **Amenti** came in by literally setting a shield in, where this

 this part of **Amenti**, which is called the Earth body, was set into the

 part of the **Amenti** Host. .. it manifests within a larger star body called

 ago when the **Amenti** Mission was set, that that condition could occur, so there

Page: 446

---

 Earth, its original **Amenti** imprint, and part of Urtha's encryption So, they create land

---

Page: 498

 that the entire **Amenti** Rescue Mission was actually set to do. Earth was very

---

Page: 499

 is why the **Amenti** Rescue Mission was set in motion. It was not just

 on purpose, the **Amenti** Rescue Mission was set on purpose, where these 3, the

 part of the **Amenti** Fall, where it was created as a host system, because  
 that occurred- the **Amenti** Fall -through which Earth became a place, here ...  
 and when the **Amenti** fall happened, another system was put in, and that's our

---

Page: 30

---

 started in the **Amenti** Rescue Mission, and where it is now, because it was

---

Page: 61

---

 put out the **Amenti** maps. Now I know why we spent the time putting

---

Page: 68

---

 ... the whole **Amenti** mission, that was a really, really big intense mission. It  
 how that whole **Amenti** program was set in relation to the whole larger host

---

Page: 77

 set into the **Amenti** host And in between this one and this one ...

---

Page: 90

---

 happy with our **Amenti** map and the things we've been being taught and that

Page: 117

 ago when the **Amenti** Rescue Mission started 550 million years ago. It was because  
 the start of **Amenti** to the BC to AD dates showing the Eyughas-and

 doing it since **Amenti** was set here, and there was only one more installment,

 of the entire **Amenti** Earth quantum that Median Earth has-half of that, which

---

Page: 124

---

 right after the **Amenti** Mission was set, technically. But there"s another set you"ll be

 early times of **Amenti**. It was way before Seeding One and, progressively, the Shields
